

Flip Open PU Leather Luggage Tag

SKU RIV-202242

JOYFLOW

Product information

2026-09-19

DESCRIPTION

These luggage tags are based on classic designs involving a large information card inside, and a belt buckle strap to secure properly on luggage or suitcase handles. The tag is made of PU leather, which is long lasting and durable, and lightweight and flexible. The window of the tag is a flip design, which means the tag will conceal the private information while in transit, but can be easily seen when the panel is flipped open.
