DESCRIPTION

Built for comfort and strength, this heavy-duty folding director’s chair features a high-strength steel frame. A padded seat and back with breathable mesh keep you cool, while non-slip feet add steady support on grass, sand, or pavement. The integrated side table includes a cup well and phone slot so your hands stay free. With a one-touch safety lock and anti-pinch folding system, it sets up or packs down in seconds—collapsing to roughly half the size of a standard chair. An easy-grab carry handle makes transport simple. Ideal for camping, picnics, BBQs, tailgates, travel, and indoor events.
