DESCRIPTION

This high-performance cooler bag features a thickened insulation layer that delivers excellent thermal retention, keeping contents cold for over 12 hours when used with ice. The interior is lined with hot-pressed, leak-proof PEVA for safe and mess-free use, while the exterior is constructed from durable, weather-resistant 40C tarpaulin—ideal for outdoor use, even in rainy conditions. Designed for convenience and capacity, the spacious zippered main compartment opens wide for easy packing and holds up to 24 cans. A front zippered pocket provides additional storage for accessories, while dual side carry handles offer flexible carrying options. The cooler also includes an adjustable shoulder strap with a padded comfort section and a built-in zinc alloy bottle opener. Perfect for beach outings, picnics, hiking, camping, and other outdoor activities, this cooler bag combines durability, functionality, and practical design.
