DESCRIPTION

Crafted from lightweight, waterproof, and durable nylon, this hanging travel toiletry bag delivers large capacity with smart organization. It features four separate compartments: breathable mesh panels on the upper sections for quick visibility and drying, and clear PVC panels on the lower sections for an immediate view of contents. Offset elastic webbing in the two main compartments keeps bottles and cosmetics of different sizes upright and secure. A double-layer zipper on the main compartment allows quick access without fully opening the bag, while the detachable bottom section and a stow-away metal hook at the top make it easy to hang and use in tight spaces. Well-padded construction and sturdy stitching help the bag hold its shape and protect your essentials. Ideal for daily use, trips, gym showers, and outdoor activities, with a large front area ready for your logo for maximum brand exposure.
