DESCRIPTION

Designed for outdoor fishing under intense sun exposure, this men’s long-sleeve fishing hoodie T-shirt delivers lightweight comfort with advanced sun protection. Constructed from a 180 GSM performance fabric blend of 86% polyester and 14% spandex, it offers excellent stretch, durability, and flexibility for unrestricted movement during casting, reeling, and extended wear. The integrated UPF 50+ sunproof fabric helps block harmful UVA and UVB rays, while breathable, moisture-wicking properties keep the body cool and dry in warm, humid conditions. Featuring a built-in hood and neck gaiter for added face and neck coverage, this shirt is ideal for long fishing sessions in freshwater or saltwater environments. Full-color sublimation printing supports vibrant, fade-resistant graphics that will not crack or peel over time, making it an excellent choice for fishing teams, tournaments, outdoor brands, and promotional apparel with long-lasting visual impact.
