DESCRIPTION

This multi-pocket reflective safety vest is crafted from high-quality knitted fabric and is available in sizes S through 4XL, offering a perfect blend of comfort, durability, and practicality. Designed with multiple pockets, it provides convenient storage for tools, pens, or small essentials, making it particularly suitable for workers in construction, road traffic safety, and outdoor operations. The reflective strips on the vest not only improve the level of visibility while working in dark but also meet American National Institute class 2 safety standards. The product is lightweight and breathable, allowing for ease of movement, while also being highly durable. This vest is also well-suited to the needs of the U.S. promotional gift market, supporting full-color printing of custom corporate logos to create brand promotional giveaways that combine functionality and reliability.
