DESCRIPTION

This full-color pop-up canopy tent features a center lock system. With just a single push, one person can easily open and close the canopy from the center hub, making setup and takedown fast and easy at indoor or outdoor events. Absence of overhead crossbars enhances headroom, providing more spaciousness than traditional designs—ideal for parties, trade shows, and outdoor gatherings. Legs include automatic pinch-free push buttons for smooth height adjustment. Canopy is made from durable 400D polyester that is water-resistant, UV-protected, and stretch-resistant, with full-color dye sublimation printing to help your brand stand out. White powder-coated steel frame is reinforced with ABS nylon joints for added durability. Compact folded size fits most vehicles, and wheeled carry bag makes transport easy.
