DESCRIPTION

This full-color pop-up canopy tent features center lock system. With just a single push, the central hub locks the poles in place, making setup and takedown fast and easy at patios, sports events, and outdoor gatherings. A vent hole is specially designed on the top to make an air circle in the canopy. The headroom is enhanced by absence of overhead crossbars, providing more spaciousness than traditional designs, ideal for parties and events. Legs include automatic pinch-free push buttons for smooth height adjustment. Canopy is made from durable 400D polyester that is water resistant, UV protected, and stretch resistant, with full-color dye sublimation printing. White powder-coated steel frame is reinforced with ABS nylon joints for added durability. Includes wheeled carry bag for easy transport, compact folded size fits most vehicles, and full-color graphics help brand stand out.
