DESCRIPTION

This heavy duty steel tent frame features square-style legs and durable ABS nylon joints for enhanced strength and long-lasting performance. It is equipped with an upgraded thumb latch lock system, allowing smooth, safe height adjustments with easy push-button operation for quick locking and release. Hook-and-loop fasteners make attaching the canopy (sold separately) simple and secure. The frame also includes a stake kit for added stability and a wheeled carry bag for convenient transport and storage, designed to fit standard 10' x 10' canopy tops.
