## DESCRIPTION

Make a bold statement with our 3×5ft nylon flags. Designed for maximum visual impact and lasting performance, our flags are crafted from premium 420D high-density nylon fabric—lightweight yet exceptionally durable, built to excel in both indoor and outdoor environments. The 420?denier tight weave ensures superior tear resistance while maintaining flexibility for easy transport and installation. With thermal transfer printing technology, the graphics deliver richer, more vibrant colors and outstanding color retention. These flags offer brilliant visual impact and dependable durability, making them suitable for premium applications and extreme weather conditions.
