

5? X 10? Single Side Perforated Polyester Mesh Banner

SKU RIV-310129

JOYFLOW

Product information

2026-09-19

DESCRIPTION

This single sided mesh banner is perfect for outdoor advertising and areas with high wind such as schools and sporting events, contructions zones, etc. This is a great way to advertise your message in full color display. Made of polyester mesh, it allows 20% airflow through it by means of perforation much like a window screen. Get your message seen with these big bold banners.
