

# 10FT Silicone Edge Graphics (SEG) Pop-Up Display With LED Lighting

SKU RIV-339852

JOYFLOW

Product information

2026-09-19

## DESCRIPTION

Create a commanding presence at your next exhibition with this high-impact ten-foot by eight-foot silicone edge graphics backlit display. Engineered for professional environments, this system features a lightweight yet durable aluminum alloy frame that allows for stable performance and quick assembly. The integrated top and bottom LED lighting system ensures bright and perfectly even illumination, making your brand’s visuals stand out in crowded trade show halls or retail settings. Utilizing seamless full-wrap heat transfer printing, the fabric graphics provide stunning high-resolution clarity that remains taut and wrinkle-free. For effortless logistics, the entire display system packs neatly into a rugged wheeled carrying case, making it an ideal portable solution for trade show, media backdrops, corporate conferences, and high-end promotional events.
