

# 8000mAh Eco Friendly Solar Power Bank With LED Light

SKU RIV-326699

JOYFLOW

Product information

2026-09-19

## DESCRIPTION

Built for reliability in any situation, this 8000mAh solar power bank keeps your devices powered whether you're navigating daily life, traveling abroad, or exploring the outdoors. Built-in solar panel harnesses sunlight to provide eco-friendly backup power, perfect for outdoor adventures and emergency situations. It features a Type-C input/output (5V/2A) and dual USB-A ports (5V/2A), allowing you to charge multiple devices like phones, watches, and earphones at once. Whether you're on a flight, at a campsite, or trekking through the mountains, it keeps your essentials powered. The rugged ABS+PC fireproof housing and advanced control chip ensure safe, stable, and efficient performance. Each unit is rigorously tested for durability and functionality, delivering long-lasting reliability. Complete with a built-in LED flashlight, it's a practical companion for travel, hiking, camping, and emergency situations—while also serving as a smart and impactful promotional gift.
