

10000mAh 20W PD Power Bank With AC Plug & Built-In Dual Cables

SKU RIV-332520

JOYFLOW

Product information

2026-09-19

DESCRIPTION

This upgraded 2-in-1 hybrid charger combines a 10,000mAh battery with a fold-out AC plug for ultimate portability. It features an advanced independent NTC temperature control system that isolates the battery from heat-generating components to ensure safety and longevity. Performance is boosted by a 22.5W output supporting PD/QC/PPS protocols and bi-directional charging. For connectivity, it includes built-in Type-C and 8-pin cables alongside USB-C and USB-A ports; the Type-C cable is cleverly designed to double as a convenient carrying strap for easy transport. Complete with a real-time digital display and a premium matte black finish, this multi-port powerhouse provides a sophisticated, reliable charging solution for professionals on the move.
