DESCRIPTION

Stay powered without cable clutter. This 30W retractable charging cable power bank features a 10000mAh battery, a Type-C port, and a built-in 27.56in Type-C fast-charging cable. Both the port and cable support up to 30W output and PD, QC, and PPS protocols for fast charging of smartphones, tablets, and other devices. The retractable cable offers a smooth “pull to charge, pull again to retract” experience, keeping cables neat and tangle-free. Intelligent temperature control monitors heat in real time and adjusts performance for safer charging. A premium pearl-effect finish and smooth curved edges provide a refined look and comfortable grip. Compact and portable, it is ideal for business trips, travel, and daily use. A large custom logo area makes it perfect for corporate gifts, conferences, and brand promotions.
