DESCRIPTION

The Magnetic Wireless Charger with Phone Stand is designed for ultimate convenience and versatility. Its foldable structure allows it to collapse into a compact square, making it highly portable for easy carrying and storage. When unfolded, it transforms into a multifunctional stand while charging your devices. The strong magnetic alignment keeps your phone securely in place on the charging pad. With Qi2 certification, it supports up to 15W fast wireless charging for compatible phones, providing stable and efficient power. The back charging areas support headphones and smartwatch charging, allowing you to charge up to three devices at once. It also features a touch-sensitive warm yellow light, ideal for home, office, and travel.
