DESCRIPTION

This 4-in-1 wireless charging station is the ultimate desktop solution for modern multi-device users. It simultaneously powers two compatible smartphones with 15W fast charging, a smartwatch, and wireless earbuds, effectively eliminating cable clutter. The versatile design supports phones in both vertical and horizontal positions, making it a perfect stand for video calls or reading while charging. Featuring a touch-controlled night light with two brightness levels, it adds both utility and style to any office or bedside. Built for safety and efficiency, it includes foreign object detection and comprehensive over-voltage protection for peace of mind. This high-performance hub requires a 12V adapter for optimal output, ensuring all your essential gadgets stay powered throughout the day.
