DESCRIPTION

Conquer heat anywhere with a premium multi-functional fan engineered for powerful, whisper-quiet airflow. Powered by a brushless motor under 36 decibels, this heavy-duty air circulator offers four speeds for stuffy offices or intense summer weather. An innovative folding chassis transforms it from handheld to a desktop stand, hands-free neck unit, or hanging fixture. The rechargeable battery yields 6-8 hours of continuous use on one USB charge, making it a travel necessity for theme parks, cruises, hiking, and beach resorts. Boasting a large, flat front surface for high-contrast custom printing, it is a spectacular selection for corporate wellness incentives, client appreciation gifts, and luxury hospitality welcome packages.
