Please note:

1. Dimensional tolerance: $\pm 3\%$ is allowed due to cutting, sewing, and handling.
2. Color Variation: Colors may vary slightly between the digital mockup and the final product. Such variation is normal and falls within commercially reasonable limits.
3. Overlock thread: Color matched to main fabric when possible; otherwise white/black as default.
4. White show-through: Slight white show-through may occur with printing on 250gsm warp-knit microfiber. This is a normal process trait, not a defect.
