DESCRIPTION

What you purchase is not merely an umbrella, but a set of marketing tools that integrate "brand reach + customer care". The 280T high-density fabric is highly elastic when watered and the brand LOGO remains clear even when used in the rain. With a curvature of 46 ", it offers the same level of coverage as a golf umbrella. The umbrella length is only 13 inches. The compact umbrella shape can be freely placed in the bag. The convenience of automatic opening and closing makes it easy to use even in heavy rain. Customized designs that support both Screen Printing and Digital Printing will make your brand stand out more in daily use.
