DESCRIPTION

This extra-large golf umbrella combines durability and functionality, making it an ideal promotional gift for your brand. Featuring a sturdy fiberglass shaft and ribs, it ensures long-lasting performance, while the EVA sure-grip handle offers a comfortable, ergonomic hold for maximum control. The automatic open/close mechanism allows for quick and smooth operation with just the press of a button. Designed to withstand harsh weather, the umbrella’s canopy includes wind-venting passages that allow strong winds to pass through, reducing the risk of frame damage. Crafted from 190T pongee polyester fabric, it is both waterproof and fade-resistant. With a generous 60" arc canopy, it comfortably accommodates 2 or 3 people underneath with ease. Available with a matching case.
