DESCRIPTION

Protect your clubs from rain and sun with the 33" arc golf bag umbrella. A built-in Flex Spring Top lets the canopy pivot to any angle — grab any club in seconds, then it automatically springs back into place for full protection. The multi-locking telescopic shaft adjusts from 35.2" to 53.5" to fit any bag setup, while the non-slip rubber grip keeps a secure hold even in wet conditions. Custom branding available via heat transfer or full-color sublimation printing — ideal for corporate gifts and tournament giveaways.
