DESCRIPTION

This faux cashmere scarf weighs approximately 250g, making it very thick and providing a truly enveloping and secure feel. Its warmth surpasses that of lighter versions, easily handling the chill of autumn and winter. Made from premium faux cashmere fabric, it's composed of 30% cotton and 70% polyester, resulting in a soft, delicate, and smooth feel against the skin, with a texture similar to natural cashmere that is gentle on the neck without causing any itching. Its generous size allows it to be wrapped around the neck for added dimension or unfolded and draped over the shoulders, offering both warmth and style. We offer a range of solid colors, from versatile classic shades to vibrant festive hues. Whether for business commutes, casual everyday wear, or celebratory events, you'll find a suitable choice.
