DESCRIPTION

Simplify charging with this 15W wireless charger that powers wireless charging-enabled smartphones and headphones, keeping devices charged and ready to go. Designed with an aluminum base, it not only offers a sleek, high-gloss finish but also ensures superior heat dissipation for efficient thermal management. Upgraded anti-slip feet keeps your device stable during charging. The spacious blank area on top is perfect for printing custom logos, making it an excellent promotional item. Additionally, the product comes in a customizable white sliding packaging box, enhancing its personalized appeal. A USB-C charging cable is included for convenience. Ideal for use in the office, this wireless charger allows you to keep your devices powered without tangled cords, and it's perfect for nighttime charging—simply place your phone beside your bed to ensure it's ready for the day ahead. Input: 9V-2A / 5V-2A; Output: 15W / 10W / 7.5W / 5W.
