DESCRIPTION

Canopy is made of durable 600D polyurethane-coated polyester that is UV protected, fire retardant, and water resistant. Full-color dye sublimation printing on the entire canopy provides maximum visibility for your brand. Double stitching and heat-sealed seams help prevent water from penetrating through the seams. Pebble powder-coated steel frame offers enhanced durability and scratch resistance, while ABS nylon connectors add strength and stability. Telescopic legs with automatic push-button height adjustments allow for easy setup at multiple heights. Tops come with hook-and-loop fasteners sewn into the valances for easy attachment. Comes with a stake kit and a premium wheeled carry bag for easy transport of the tent and accessories.
