DESCRIPTION

This heavy duty 9' commercial aluminum market umbrella features an 8 panel configuration and a black powder-coated aluminum frame with 8 reinforced ribs for added durability. The 1.5inch diameter pole is designed to fit most patio tables. The 260gsm UV treated polyester canopy offers excellent sun protection, while the wind vent improves airflow. Equipped with a convenient crank lift for easy raising and lowering, as well as a push button tilt for more angles of shading, block the sun well. With full color dye sublimation available on peaks and valances, it provides a customizable branding or design option. 9' diameter provides ample coverage for 42" to 45" round, square, or rectangular tables with 2 to 4 chairs, making it ideal for both residential and commercial locations. Available with or without valances. Base not included.
