DESCRIPTION

Crafted from rugged, waterproof polyester fiber, this carry-on backpack keeps your gear safe and organized on short trips or weekend getaways. It offers two spacious main compartments—one with an internal buckle, a mesh panel a and a PVC panel to secure clothing and store items, the other padded to hold laptops, documents and essentials. A TPU-lined dry/wet pocket keeps damp items like toiletries or towels separate, while dedicated side and rear zip pockets safeguard water bottles and valuables. The integrated trolley sleeve lets you slide the pack over rolling luggage, and the breathable back panel, heat-dissipating pads and contoured shoulder straps ensure all-day comfort, whether you’re stowing it overhead or hitting the road.
