DESCRIPTION

This 25L ripstop nylon hiking backpack weighs just 0.65kg with water-resistant fabric for all-weather protection, keeping your gear dry in unexpected mountain downpours. The main compartment holds outdoor gear and daily essentials, plus trekking pole holders and bungee cords that secure extra or wet gear outside the pack. The breathable 3D air-mesh back panel and contoured adjustable straps effectively reduce shoulder fatigue on extended treks. Deep side pockets securely hold water bottles or umbrellas, with multi-point hanging loops that allow you to clip various outdoor accessories to the pack. Perfect for hiking, camping, commuting, or campus use, the white version supports custom logo printing via silk screen or heat transfer—ideal for corporate gifts and promotional events.
