DESCRIPTION

Crafted from durable 300D polyester, this Double Deck Lunch Bag is built for everyday use. Boning strips along the side seams provide added structure to help the bag maintain its shape. The food-grade PEVA insulated liner features hot-pressing technology for reliable leak-proof performance, helping keep food hot, cold, and fresh while on the go. The practical wet/dry folding double-deck design offers better meal organization and prevents food from being crushed or mixed together. Multiple storage options include a front zippered pocket, two side mesh pockets, and an inner mesh pocket for napkins, utensils, or small essentials. Designed for carrying flexibility, it can be used as a handheld tote or worn over the shoulder with the detachable, adjustable shoulder strap. Ideal for picnics, office lunches, day trips, and beach outings. It supports customization and embroidery, making it a great option for both personal use and promotional purposes. Reusable and easy to clean.
