DESCRIPTION

Made from durable, high-quality fabric with a food-grade aluminum foil lining and thick insulation, this insulated lunch bag keeps food hot or cold for hours. The non-toxic, heat-resistant lining will not melt when holding hot meals and is easy to wipe clean. The wide-open, dual-zipper top allows full access to the main compartment, making it easy to place and remove containers horizontally without tipping or spilling. This design also improves visibility, organization, and cleaning convenience. Featuring a spacious main compartment for meals and drinks, the bag includes front and back zippered pockets for personal items and two side mesh pockets ideal for water bottles or small essentials. Reinforced handles, heavy-duty stitching, and a comfortable hand grip ensure durability and easy carrying. Customization and embroidery are available, with two-sided imprint areas for enhanced brand visibility.
